LABELS

A woven label is the everlasting trim on the garment. It always speaks the brands quality and elegance. With the help of our latest technology of looms and design it is possible to produce even intricately detailed designs. A woven label retains its perfect appearance during the entire life span of the garment.

At Ping we are able to manufacture Printed Labels/Textile Labels both by the process of rotary and screen printing. Clarity, Contrast and depth of color are the hallmark of our labels where the print is intense and the colors are durable and effective. It is also possible to print lighter colors on a dark background through screen-printing. We have high quality fabrics and print colors, which can withstand rigorous washing.

Garment care labels incorporating wash-care information are a necessity in each garment. At Ping we offer on-site rotary and thermal print production that proves to be versatile and cost effective for our customers. Couple this with our automated online ordering system and the whole service becomes efficient and second to none. These labels can be printed on many different fabrics from Polyester Satin to Herringbone Cotton. Washable and dry clean resistant inks are used and alternative fabrics are also available.

PACKAGING

Ping's renowned long history and quality puts us at the forefront of the woven label and printed ticket industry, but we don't stop there. We research, develop and work with our buyers to produce a point of sale that extends further than just the garments. Later in years we added Branded Rigid Boxes, Corrugated and Non Corrugated Shoe Boxes, Undergarment Packaging, Belt Boxes, Wallet Boxes, Gift Boxes, Paper Bags and Vinyl Bags and many more items to our product line. Our exclusive quality and experience in the printing industry has helped us to be the best packaging suppliers in India. We are always re-searching on new packaging options with raw materials from all over the world to present the valuable product inside. This has also helped us expand production not only in India but also in China, Bangladesh, Pakistan and Turkey.

A close-up photograph of a hand holding a black marker, writing the words "Thank you!" in a cursive script on a piece of brown, textured paper. The paper is layered over other similar sheets. In the upper right corner, a small, dark, circular object, possibly a container of ink or a small bowl, is visible. The background is dark and out of focus.

Thank you!
